## Reports.

The British bark *Belle*, from Swatow on the  
10th January, reports passed the steamship  
Asia on the 18th instant about noon.

The French bark *St. Eustache*, left Cape St. James on the 22nd December, reports calm for  
the first two days; afterwards, rough weather  
with heavy seas; came up through the China sea,  
and had calm and light monsoons for the last  
part of the voyage until arrival. No ships  
sighted.

The Ned. bark *Eddy* reports came by the  
Kamtschatka Passage and Java sea; passed  
through the straits on December 16th. Left  
Gillies on the 20th, did not find the trade until  
lat. 6° N. and long. 132° E.; made the Batan  
Isles on the 18th, and carried a strong mon-  
soon across the sea.

## Intimations.

HEALTH RESTORED  
BY THE USE OF  
BRISTOL'S SUGAR-COATED VEGETABLE  
PILLS.

THESE Pills have fully acquired a widely extended reputation for their wonderful powers in cases of sickness—cases in which all other Medicines had failed, and which had been given up by Physicians as beyond help—such as confirmed and long-standing Liver Complaints, obstrusive cases of Piles, Dropsey, &c., &c. We have also found them of great service in powers in different cases, we wish to call attention to their great value in the every day diseases of life, such as COSTIVENESS, for which they are perfect specific; HEADACHE, relieved and cured by one dose; INDIGESTION and dyspepsia, by three; and the like. Once a strong dose of these will prevent a return. BAD BREATH cannot exist when the stomach is cleansed by them.

BRISTOL'S SUGAR-COATED  
PILLS.

VEGETABLE.

For LOSS OF APPETITE they are the only sure remedy, as they never fail in curing up the depraved bilious secretions that find their home in the stomach and destroy the healthy, natural craving for food. Son Stomach, Heartburn, Flatulence, and all Disturbances of the Digestive and Bowel Organs are promptly relieved and cured by them. The Pills should always bear in mind that Bristol's are the only Pills made of.

PODOHYL-LIN & LEPTANDRIN.

to the presence of which invaluable remedies the extraordinary success of Bristol's Pills may in a great measure be ascribed. It is necessary, however, that the sick should always remember that in all diseases that have their origin in the blood,

ANTIBILIOUS.

the only vegetable substance yet discovered that are really

ANTI-BILIOUS.

to the presence of which invaluable remedies the extraordinary success of Bristol's Pills may in a great measure be ascribed. It is necessary, however, that the sick should always remember that in all diseases that have their origin in the blood,

BRISTOL'S SARSAPARILLA.

that best of blood-guise should be used with the Pills, as the Medicine will be prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and, in most cases, a cure, can be guaranteed, when the patient is not already beyond human help.

It is the best of all, as the  
wrapping around each phial of Pills, but as different constitutions require different doses to produce the same effect, it is better that each person ascertain, by trial, the dose that suits their system, and take that dose, instead of following any general rule.

FOR SALE AT THE HONGKONG DISPENSARY.

PROVED BY

THIRTY-FOUR YEARS' TRIAL.

IT is a true saying, that any preparation intended to stand the test of public trial and experience, must be possessed of undesirable and positive virtue, else its career will be speedily terminated, and its very name be forgotten among the myriad of similar failures that have gone before it. Proved by this test,

THE STEELING EXCELLENCE OF

BRISTOL'S SARSAPARILLA.

comes at once indispensible and self-evident. It was first introduced in the year 1832, and, from that date until the present time, its progress has been uniform and steady, each year showing an increase in the demand on the part of our principal and to-day it is acknowledged to be the best.

BEST BLOOD PURIFIER.

and especially useful in all cases of debility, such as is prescribed by the leading physicians in America, and recommended by them to their patients in all nervous, ulcerous, and eruptive diseases. Bristol's SARSAPARILLA should not be confounded with other so-called sarsaparillas; it is

ENTIRELY DIFFERENT.

ENTIRELY DIFFERENT.
